<http://www.raut.md> Eugene Chiaburu Born on July 3rd, 1947, in Zaicani village, Rishcani district  
Processing engineer, had graduated from Lvov Polytechnic Institute (1970). From 1997 - the  
general director of «Raut» JSC. Contemporary man has accustomed to a comfort in such a  
degree that does not already imagine how it is possible to manage without some electric  
appliances and installations. Considerable part of consumer goods is manufactured by industrial  
enterprises of the republic, including Joint-Stock Company «Raut». Joint-Stock Company  
«Raut» is one of the largest plants of Moldova, where 900 persons work (management strives  
to create maximal number of well-paid working places).
