From 1998 - the director of the jewelry plant «Giuvaier». Rewarded with the order «Glotria Muncii». Honored with title «Businessman of the Year» (1999-2004). The state Enterprise «Giuvaier» is the largest producer of jewelry and the main representative of this ancient art in Moldova.

It was created in 1972 and since that time it participates directly in the development of jeweler's art at the territory of the republic. Its activity promotes the creation of an image of prosperous man and moral comfort of amateurs of the beauty, who prefer the «Giuvaier» jewelry. There are many subdivisions at the plant, which are equipped with modern equipment. Workshop on production of gold and silver chains is a representative one and operates autonomously for many years. Besides chains, the enterprise produces both serially and to orders ear-rings, rings, pendants, necklaces etc. About 200 experienced professionals work at the plant. They engrave and frame gems and semi-precious stones to be inserted in original and diverse articles. For these years, the enterprise's employees have released more than 2.500 of such adornments with individual approach to every article. In order to become a true jeweler, many years are required. That is why, young specialists have an opportunity to learn from more experienced workers. It can be asserted, that a school of young jewelers is created at the plant, many of whom open following mastering the profession open their own workshops, thus expanding the network of bijouterie manufacturers in Moldova. Adornments correspond to fashion requirements and new trends, cause admiration of consumers and are intended for the wide range buyers with different tastes and financial possibilities, who appreciate elegance and quality of the plant's jewelry. Plant's articles are sold not only at the domestic market, but also abroad - wholesale and retail - in major commercial centers of Germany, Byelorussia, Israel, Romania, Kazakhstan, Latvia, etc., where they are appreciated for refinement and originality. «Giuvaier» articles are marked With premiums, diplomas and medals of the prestige international exhibitions in Romania (1995, 1996), Russia (1995), France (1995), as well as of the annual international exhibition «Ювелир» in Moscow. In 2000, the enterprise had won the premium «Arch of Europe», thus the quality of the enterprise's products was recognized at the European level. In 2003, the plant's articles were marked with the prize «Mercuriul de aur».
