

Between 4th to 5th December 2014, **International Academy of Economics, Finance and Law (IAEFL)** in common with **International Congress of Industrialists and Entrepreneurs**, has organized an **International Conference** which was attended by representatives from several countries including the **European Commission** and **Euroasiatic Commission**, in which the main topics discussed were:

“Economic, legal and financial aspects of Eurasian countries in the integration process, as well as the experience of EU countries”.

During this conference has participated and **National Congress of Industrialists and Entrepreneurs of Moldova (CNIAM)** represented by **President of Congress Vasile TARLE**, where he gave a speech on the mentioned topic.

Also, during the conference Mr. Vasile Tarlev was handed a diploma for outstanding contribution in the development of international relations.

Then **President of the Council of the International Congress of Industrialists and Entrepreneurs (ICIE), President CNIAM Vasile Tarlev** participated in **General**

Assembly of the International Academy of Economics, Finance and Law (IAEFL).

Within this General Assembly of the IAEFL Mr. Tarlev was elected a member of IAEFL and received the title of Academic of the International Academy of Economics, Finance and Law (IAEFL).
